

Direct Your Gift to Ottawa's Animals!

How your United Way gift helps

Last year over 3,500 caring donors gave to Ottawa's animals via their United Way gift and raised over \$250,000 to help us care for over 11,000 animals.

These gifts were used in critical areas like our in-house clinic to help perform over 3,000 life-saving procedures on animals in need to spay and neuter over 2,738 animals.
