## Volunteering at the OHS

*Did you know that the OHS has more than*

*700 active volunteers (over the age of 18) who support the work that we do? The OHS would not be able to offer so many lifesaving programs and services to our community without the support and dedication of this truly valuable team. Volunteers support our operations across a number of departments including: grooming, photography, office support and data entry, humane education, special events, fostering, bingo, driving, canine and feline enrichment care, and so much more! It's because of volunteers that we are able to help the nearly 10,000 animals that come to the OHS each year, and*

*it's because of volunteers that we are able to continue offering these animals a second chance.*

Are you interested in making a difference for the animals in our community? If so, please visit our website at [www.ottawahumane.ca](http://www.ottawahumane.ca) to learn more about our volunteer programs and current volunteer opportunities.
